Education

- 2024 – 2027 **Ph.D. Student Waseda University, Japan** Graduate School of Information, Production and Systems (*Expected Sep. 2027*).
Research Focus: *Financial AI Agent Security and LLM-Based Risk Detection*.
- 2022 – 2024 **M.Sc. Waseda University, Japan** Graduate School of Information, Production and Systems.
Research Focus: *Cryptocurrency Security and Prediction*.
- 2017 – 2021 **B.Econ. Beijing University of Technology, China.** Information Management and Information Systems, College of Economics and Management.

Research Publications

Journal Articles

- 1 X. Jiang and J. Wu, “Finsec: A generative defensive agent for financial dialogue security via multi-stage rollout,” 2026, Manuscript under review.
- 2 X. Jiang, Z. Zhang, and J. Wu, “Text-only virtual currency llm for consumer electronics: Social sentiment anomaly detection and trading guidance,” *IEEE Transactions on Consumer Electronics (TCE)*, 2025, Accepted.

Conference Proceedings

- 1 X. Jiang and J. Wu, “Few-shot financial agents security risk detection and validity verification based on finsec,” in *Proceedings of the IEICE General Conference 2026*, Accepted, The Institute of Electronics, Information and Communication Engineers (IEICE), Fukuoka, Japan, 2026.
- 2 X. Jiang, J. Wu, and Q. Pan, “Optimized artificial intelligence and econometric model empowered virtual-fiat settled price prediction in green cryptocurrency networks,” in *Proceedings of the IEEE International Conference on Communications (ICC 2024)*, Denver, CO, USA, Jun. 2024.
- 3 X. Jiang and J. Wu, “Performance analysis of econometrics model and artificial intelligence empowered forecasting fiat-settled cryptocurrency price,” in *Proceedings of the 17th International Collaboration Symposium on Information, Production and Systems (ISIPS 2023)*, Japan, Nov. 2023.

Skills

- Languages **Japanese:** JLPT N1 **English:** TOEIC 805 **Korean:** Basic daily conversation **Chinese:** Native
- Coding **Python, $\LaTeX$, ...**
- Misc. **Academic research, $\LaTeX$ typesetting and publishing.**

Miscellaneous Experience

Awards and Achievements

- 2024-2027 **W-Spring Fellowship**, Support for Pioneering Research Initiated by the Next Generation Program, JST, Waseda University.
